Your utility deposit will be applied against your final bill and you will receive a refund or a bill for the difference. The refund is paid by check to the account holder who is responsible for providing the City with a credible forwarding address. The final bill will be calculated from the last meter reading at the time the services are disconnected. Deposits cannot be applied or refunded until the "FINAL" water/sewer bill is calculated. If you don't contact Utility Billing, you could be responsible for paying utility bills at your old address until a new account is initiated by a new resident or owner. Disconnections are only done on weekdays during normal business hours, excluding holidays. The City of Claremont, under G.S Chapter 105A, has the right pursuant to the N.C. Setoff Debt Collection Act to collect any sum due and owed by the applicant. If the City of Claremont chooses to pursue debts owed by the applicant through the Setoff Debt Collection Act enacted by the NCACC and the NCLM, the applicant agrees to pay all fees and penalties incurred through the setoff process, including but not limited to, fees and costs charged by the NCDOR, NCEL, N.C. Capital Management Trust, N.C. Local Government Debt Setoff Clearinghouse, Five Star Computing, and the City of Claremont. By signing this form, I hereby certify the information provided is accurate and true; and understand and agree to comply with the provisions of this contract.
